

RGBY TAGGING SYSTEM GUIDE

JAN - FEB - MAR

APR - MAY - JUN

JUL - AUG - SEP

OCT - NOV - DEC

RGBY Colour tagging system or customized to suit your company.

Regular inspections are essential to ensure you are maintaining your Lifting and Height Safety Equipment to the relevant Australian Standards.

For more information please visit our website www.stenhouselifting.com.au

Note: The date written on the tag is the month and year it is next due to be inspected.

Please also use our QR code to take you to our Pre-Start Inspection checklists to ensure your equipment is fit for use before starting work.

IF YOU REQUIRE AN INSPECTION PLEASE CONTACT OUR OFFICE – 3801 6565

EAGLE FARM – MARYBOROUGH – WACOL - YATALA
