

Grade 100 Chain

Grade 100 chain is manufactured from hardened and tempered steel. A key benefit is an increase in WLL of 20% over Grade 80 assemblies

- Allows for instant assembly, dismantling and reassembly of slings and reliability.
- Traditional design in a blue painted finish.
- Complies with Australian Standard AS 2321.

Part No.	Chain Size	WLL (t)	F (mm)	S (mm)	R (mm)	Weight (kg)
1331008	8	4.3	29.6	8	24	1.5
1331010	10	6.9	37	10	30	2.3
1331013	13	11.6	48.1	13	39	4
1331016	16	17.3	59.2	16	48	6
1331020	20	27.7	74	20	60	8.9
1331022	22	32.9	81.4	22	66	11.4
1331026	26	26.5	96.2	26	78	16
1331032	28	40	115	32	96	24.1
